

May 2016

Dear **FOODTEMPS** Staff,

Summer is almost upon us! We hope everyone is finally enjoying some spring like weather after a very long winter! As another year has passed at FOODTEMPS, I thank all of you for your continued hard work and dedication to our company.

The Summer Fancy Food Show will return to New York City this June! Show dates are Sunday, June 26th through Tuesday, June 28th this year. Will you be available to work this year??

The Specialty Food Association sponsors the International Fancy Food Show as a service to the gourmet food industry. Thousands of gourmet and specialty products will be represented at this show. Many of these products you have seen before, while others are being introduced for the first time. In attendance will be retail buyers, brokers, store owners/managers, distributors, and importers/exporters from all over the country. They come to this show to see and taste new products and to place orders for the upcoming retail season.

FOODTEMPS has been the official demonstration agency for this food extravaganza for 24 years now! We provide professional demonstrators, host/hostess staff, sales staff, cooks and chefs to the manufacturers and distributors that will be exhibiting their products at the show. Many of our clients have already booked and reserved **FOODTEMPS** staff for all 3 days of the show!

As you know, working at this show is a great opportunity to make extra money, as well as to experience the excitement at one of the largest international specialty food shows in the country! You will also discover some wonderful new gourmet food and natural food items!

If you are interested and available to work the show this year, please provide the following information by June 15, 2016. I look forward to hearing from you and hope to see you in New York City at the show!

Caroline Zimmerman
President
